by and between

Srinakharinwirot University
and
The University of South Florida

This agreement is made and entered into by and between the University of South Florida (USF) Board of Trustees, a public body corporate, located in Tampa, Florida, United States of America, and Srinakharinwirot University, an institution for higher education, located in Bangkok, Kingdom of Thailand. The parties hereto agree as follows:

Purpose:

- 1) Recognizing the importance of mutual collaboration and the contributions to society made by institutions of higher education, both parties share a desire to develop mutually strengthening and enriching international educational and research experiences for both faculty and students.
- 2) The primary purpose of this agreement is to provide a general basis within which specific cooperative activities of an academic and cultural nature may be implemented involving faculty and/or students from USF and Srinakharinwirot University.
- 3) Faculty and researchers in various disciplines will be encouraged to develop contacts and propose collaborative projects. Each project proposal will be considered on its merits and on availability of funds. The two institutions will seek internal and external sources for support of programs and exchanges, which may be developed as a result of this agreement.
- 4) As specific projects in education or research are developed, each will require a written Memorandum of Understanding (or a Contract) which will set forth the terms and conditions of the project(s). These Memoranda or Contracts will be approved and signed by appropriate administrators at each institution.

General Provisions:

1. All research and other collaborative activities conducted pursuant to this agreement shall be conducted in accordance with the laws and regulations appropriate to each institution. In the case of USF, these are the laws of the United States of America, the State of Florida, and the rules and regulations of the Florida Board of Governors and the University of South Florida. In the case of Srinakharinwirot University, these are the laws of Thailand and the rules and regulations of Srinakharinwirot University.

2. This agreement shall take effect when executed by both parties and shall terminate at the end of three years. The agreement shall be automatically renewed for additional five-year periods unless either party provides the other with written notice that it wishes to terminate. Notice of termination by either party must be given at least 90 days in advance. This agreement may be modified by written agreement of both parties at any time. Nothing within this agreement shall create any financial obligation or cause any hardship to either party.

3. At USF, modification to this agreement shall be initiated through the Office of the Dean of International Affairs, and at Srinakharinwirot, through the President's office.
