**between**  
**UNIVERSITÉ SAINT- LOUIS- BRUSSELS**  
**and**  
**SRINAKHARINWIROT UNIVERSITY**

---

The general agreement set up in the MoU will be undertaken as such

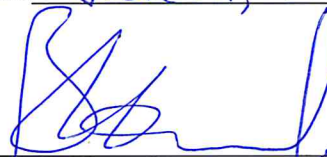

1. An annual exchange of Professors and/or Research scholars is proposed whereby one Professor of USL-B will travel every other year for one week to SWU and intervene in various classes and/or seminars and one Professor of SWU will do the same at USL-B for the other year. Each partner will intervene in the other partner's cost by bearing either part of the travel cost or the lodging cost, the amount of which is to be decided jointly
2. Exchange of student can be undertaken at the undergraduate level and the PhD level in fields of common interest to both parties. To start, it is proposed to have an exchange of 2 students for one semester per academic year
3. Joint research proposals are encouraged between the parties and they are to be decided and managed at the faculty level. As examples, it may be interesting to cooperate to get ASEAN grants for Belgian students and EU grants for Thai students and mutual help of the partners is expected.
4. This specific agreement is valid as long as the MoU is valid
