

**MEMORANDUM OF UNDERSTANDING
BETWEEN
THE UNIVERSITY OF JYVASKYLA, FINLAND
AND
SRINAKHARINWIROT UNIVERSITY, THAILAND**

This Memorandum of Understanding is based on the discussions conducted during the visit of the representatives of the University of Jyväskylä, Finland to Srinakharinwirot University in June 1997, and presents the possible forms of cooperation as discussed.

This Memorandum is made as a gesture of goodwill and it is designed for mutual benefit of both institutions as they further develop and deepen their understanding and practices through international collaboration.

As the result of the discussions both parties shared the opinion of developing their cooperation in the following aspects:

- The Srinakharinwirot university will assist, within the frame of its resources, the University of Jyväskylä in identifying suitable tutors and providing tutoring for the University of Jyväskylä's Learning Contract students, coming to work and study in South-East Asia, in the areas of South-East Asian Studies, Economics and Business Administration.

- Student exchange and staff exchange if/when relevant departments and programmes are identified and agreed upon by both parties.

Other forms of cooperation between the organisations/institutes can also be covered as such specific cases/needs arise.

This Memorandum is signed as a record of discussions and as an initiative for future cooperation. All details of the presented forms of cooperation will be discussed and agreed upon separately by the relevant departments and persons of the respective universities/institutes.
